Topping up Load Wallet.

- Invalid entry of non-numerical cahracters.
- Selection of Linked or enrolled merchants.
- Auto save transactions and balance display update.

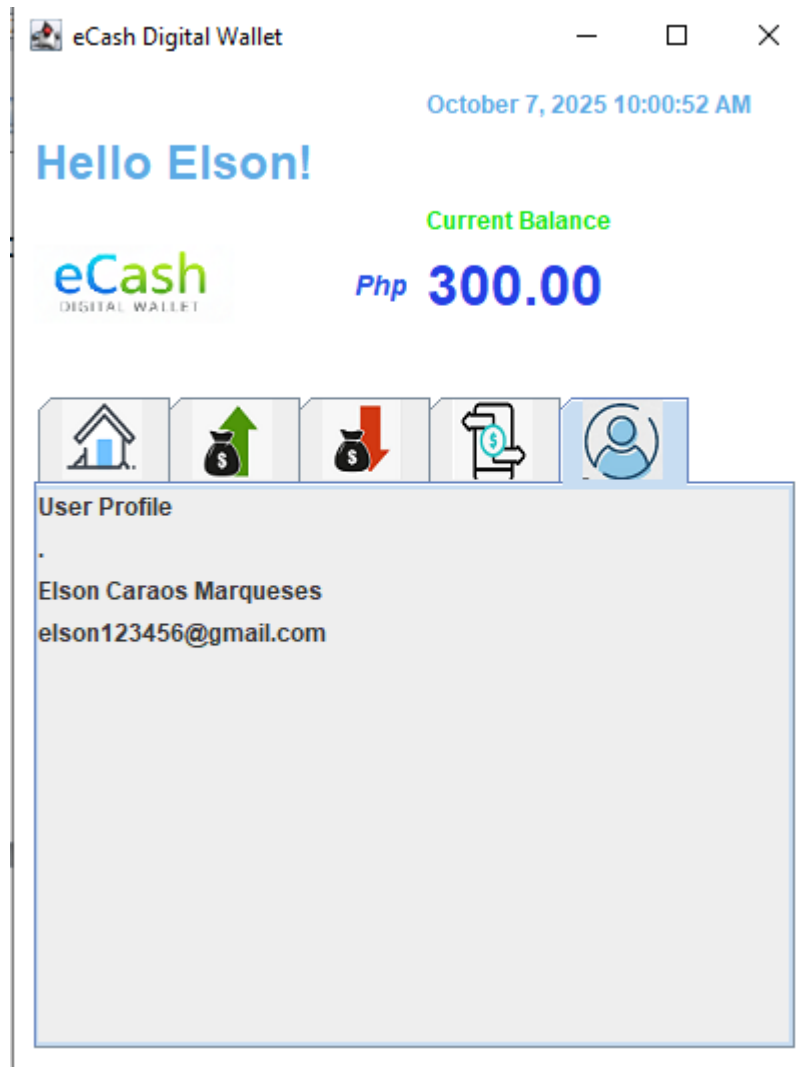

The screenshot shows a web application window titled "eCash Digital Wallet". At the top right, it displays the date and time: "October 7, 2025 09:56:29 AM". Below this, a greeting "Hello Elson!" is shown. The "Current Balance" is listed as "Php 500.00". A navigation bar contains five icons: a house (home), a green arrow pointing up (deposit), a red arrow pointing down (withdraw), a hand holding a coin (send), and a person (profile). The "Send money to your loved ones!" section is active, featuring a form with the following fields: "Amount to Send" with the value "200", "Merchant" with a dropdown menu set to "PayPal", and "Account #" with the value "1234567". A "SEND" button is located at the bottom of the form.

Sending payment or express send.

- Invalid entry of non-numerical characters.
- Invalid entry of amount that will result to negative balance.
- Selection of accredited merchants.
- Auto Save transactions.
- Balance display auto update.
